1ST DC = CH3

1ST DTR = CH5

DIAGRAM B MEAS APPROX 18 CM

TIPS
For longer or shorter skirt work more or fewer rounds of diagram A.
Measure skirt while hanging since skirt can/will sag when it is worn.

Beg at waist.
Cast on ch(170) 180 (190) 200 (210).
Work 1 sc in 2nd ch from hook, and in each of all following ch = (169) 179 (189) 199 (209) sc.
Work sc back and forth until skirt meas 5 cm.
Work 6 rows diagram A back and forth.
Inc 1 dc at each side of each flower = 5 dc between flowers.
Work 5 rows and rep inc once more = 7 dc between flowers.
Work ch1 (= 1 stitch inc) and join with 1 sl.
Cont back and forth but join each row with 1 sl. Turn each row with ch3.
Work diagram A until skirt meas approx 40 cm.
Work 1 row dc, at the same time inc (2) 18 (4) 20 (6) dc evenly spaced = (240) 270 (270) 300 (300) tr.
Work 14 rows diagram B.
Work 9 cm diagram A, but with 8 dc between each flower.
Work 14 rows diagram B.
Work 9 cm diagram A, but with 8 dc between each flower.
Work diagram B.
Work 1 row with 1 dc in each dc/ch.
Work picot edging as follows:
ch1, 1 sc in the next 2 dc, *ch3, 1 sl in first ch, 1 sc in the next 3 dc*, rep from *-* in the rnd, join with 1 sl.
Cut yarn and fasten well.

FINISHING
Work 3 rows sc at one side of slit.
Work in the same manner at other side, but with 6 buttonholes evenly spaced on second row.
Buttonholes: ch2, miss 2 sc.
Next row: Work 2 sc in ch-loop. Place buttonhole edging over the other side and sew at slit end.
Sew buttons on.
